Circular No.18/05/08

Sub:- Adoption of Integrity Pact in major Government Procurement Activities-regarding.

The Commission vide its office order no. 41/12/07 dated 4/12/07 had circulated a letter no. 007/vgl/033 emphasizing the need to adopt Integrity Pact (IP) by government organizations in respect of their major procurement activities. The Commission had also directed that in order to ensure compliance with the obligations under the pact by the parties concerned, Independent External Monitors (IEMs) are to be appointed after obtaining approval of the Commission for the names to be included in the panel.

2. As the role of IEMs is very important in ensuring implementation of the IP, it is necessary that the persons recommended for appointment have adequate experience in the relevant fields and are of high integrity and reputation.

3. The Commission would, therefore, direct that the organizations, while forwarding the names of the persons for empanelment as IEMs should send a detailed bio-data in respect of each of the persons proposed. The bio-data should, among other things, include the postings during the last ten years before the superannuation of the persons proposed as IEMs, in case the names relate to persons having worked in the government sector. The bio-data should also include details regarding experience older than ten years before superannuation of the persons proposed as IEMs, if they have relevant domain experience in the activities of PSUs where they are considered as IEMs.

This may be noted for future compliance.
