Office Order No.41/12/07

Subject: Adoption of Integrity Pact in major Government Procurement Activities- regarding.

Ensuring transparency, equity and competitiveness in public procurement has been a major concern of the Central Vigilance Commission and various steps have been taken by it to bring this about. Leveraging technology specially wider use of the websites for disseminating information on tenders, tightly defining the pre-qualification criteria and other terms and conditions of the tender are some of the steps recently taken at the instance of the Commission in order to bring about greater transparency and competition in the procurement/award of tender.

2. In this context, Integrity Pact, a vigilance tool first promoted by the Transparency International, has been found to be useful. The Pact essentially envisages an agreement between the prospective vendors/bidders and the buyer committing the persons/officials of both the parties, not to exercise any corrupt influence on any aspect of the contract. Only those vendors/bidders who have entered into such an Integrity Pact with the buyer would be competent to participate in the bidding. In other words, entering into this Pact would be a preliminary qualification. The Integrity Pact in respect of a particular contract would be effective from the stage of invitation of bids till the complete execution of the contract.

3. The Integrity Pact envisages a panel of Independent External Monitors (IEMs) approved for the organization. The IEM is to review independently and objectively, whether and to what extent parties have complied with their obligations under the Pact. He has right of access to all project documentation. The Monitor may examine any complaint received by him and submit a report to the Chief Executive of the organization, at the earliest. He may also submit a report directly to the CVO and the Commission, in case of suspicion of serious irregularities attracting the provisions of the PC Act. However, even though a contract may be covered by an Integrity Pact, the Central Vigilance Commission may, at its discretion, have any complaint received by it relating to such a contract investigated.

4. The Commission would recommend the Integrity Pact concept and encourage its adoption and implementation in respect of all major procurements of the Govt. organizations. As it is necessary that the Monitors appointed should be of high integrity and reputation, it has been decided that the Commission would approve the names of the persons to be included in the panel. The Government Organizations are, therefore, required to submit a panel of names of eminent
persons of high integrity and repute and experience in the relevant field, through their administrative Ministry, for consideration and approval by the Commission as Independent External Monitors. The terms and conditions including the remuneration payable to the Monitors need not be a part of the Integrity Pact and the same could be separately communicated. It has also to be ensured by an appropriate provision in the contract, that the Integrity Pact is deemed as part of the contract in order to ensure that the parties are bound by the recommendation of the IEMs, in case any complaint relating to the contract, is found substantiated.

5. A copy of the Integrity Pact, which the SAIL got vetted by the Addl. Solicitor General is available on the Commission's web-site i.e www.cvc.nic.in as an attachment to this Office Order in downloadable form, which may be used in original or may be suitably modified in order to meet the individual organization's requirements.
