Message

I am happy to know that Central Vigilance Commission (CVC) is observing Vigilance Awareness week from 29th October to 3rd November, 2018. The theme chosen for this year is **“Eradicate Corruption – Build a New India”**. Observance of Vigilance Awareness week reaffirms our commitment towards honesty, transparency, integrity and brings out marked change in thinking, attitude and behavior of individuals.

Corruption is a big obstacle for country's growth and development. It results in degradation of quality of service being provided to its citizens. Eradicate of corruption is moral duty of every Indian.

The **Ministry of Women and Child Development** has been foremost in implementing technology driven initiatives for rapid improvement in efficiency, transparency and trust worthiness of the Government services being provided to its citizens especially women and children. Some of the measures are digitization of beneficiary data base and bank accounts, integration of State/UT payment portal with Public Financial Management System (PFMS).IT based monitoring of beneficiaries and service delivery, implementation of e-office, e-payment, e-procurement, e-tendering, g-governance etc., More than 40,000 electronic files have been created and the Ministry graded as **'Platinum Ministry'** by the Department of Administrative Reforms & Public Grievances (DARPG) for its outstanding efforts which has now increased to more than 47000 files.

My best wishes to the Commission for its endeavour to 'eradicate corruption'.

(Smt. Maneka Sanjay Gandhi)
