MESSAGE

I am happy to know that Central Vigilance Commission is organizing Vigilance Awareness Week from 29th October to 3rd November, 2018 on the theme "Eradicate Corruption Build a New India" to promote integrity, transparency and accountability in public life.

It is heartening to note that the Central Vigilance Commission has adopted a multi pronged approach for combating corruption and one of the strategies of the Commission is to encourage all stakeholders to collectively participate in prevention of the fight against corruption and to raise public awareness through numerous outreach activities. The Central Vigilance Commission has also been stressing on e-governance, systemic changes in procedures, minimal discretion, reduced public interface, technology based procurements and automation as important steps to fight corruption and enhance transparency and accountability.

I send my good wishes to the Central Vigilance Commission for all success of the event and for commendable initiatives taken by the Commission for combating corruption.
