### MESSAGE

I am happy to note that the Central Vigilance Commission is organizing Vigilance Awareness Week during October 29<sup>th</sup> to November 3<sup>rd</sup> 2018 for promoting integrity, transparency and accountability in public life. The theme chosen for this year is "Eradicate Corruption-Build a New India".

CVC has been undertaking various measures for raising awareness through various outreach activities including encouraging all stakeholders to collectively participate in prevention of corruption. The Commission has been emphasising one-governance, systematic changes in procedures, minimal discretion, reduced public interface, technology based procurements and automation as important steps fight corruption and enhance transparency and accountability.

I extend my greetings to the Commission, officials and staff on this occasion and wish them success in their endeavours.

  
(Dr Harsh Vardhan)
