MESSAGE

I am happy to know that Central Vigilance Commission is organising 'Vigilance Awareness Week' all over the country during November 12-16, every year with a view to generate vigilance awareness among people to curb corruption.

Corruption has a negative impact on public governance and is a hindrance to the developmental process. There is a pressing need to address this challenge with the cooperation of the public and the vigilance agencies. Vigilance awareness coupled with anti-corruption efforts go a long way in fighting the menace.

The endeavours of Central Vigilance Commission in this direction are indeed laudable.

I wish the Vigilance Awareness Week all success.
