The complaints received in Central Vigilance Commission from various sources are being processed on the Complaint Management System (CMS) Portal of the Commission and are being forwarded to the CVO concerned for investigation and submitting a report to the Commission through the portal, if considered necessary.

2. As per extant guidelines, an investigation report along with all annexures / documents is to be forwarded to the Commission for obtaining its advice in the matter. Presently, such reports and annexures are being forwarded by the CVOs concerned in physical form.
