**(ii) Commission's Circular No. 23/12/21 dated 20.12.2021**

Central Vigilance Commission has found Integrity Pact (IP) to be an effective tool to promote transparency, fairness and competitiveness in public procurement activities. Hence Commission has recommended adoption of IP by Central Govt. Organisations.

2. Vide Circular No. 05/01/22 dated 25.01.2022, the Commission has issued detailed Standard Operating Procedure (SOP) for implementation of IP by the organisations concerned. As per Para 3.1 of the SOP, all the organisations who have adopted IP, are required to decide the threshold value above which the contracts would be covered under the IP. Further, in Para 3.10 of the SOP, it has been provided that the organisations are required to hold meetings of IEMs, on quarterly basis and if need be, more frequently also.

3. In order to assess the extent of implementation of IP, the Commission has desired that the CVOs of the organisations, who have adopted IP, may provide information regarding the meetings of IEMs conducted by them, along with details about the contracts covered under the IP.
