Subject: Request for comments on amendment proposed by CII in Standard Tender Conditions.

In keeping with policies of present day Government on encouraging manufacturing/infrastructure development activities, the Commission had a representation from National Committee on Construction of Confederation of Indian Industries (CII).

2. In course of the meeting, the representative brought out various difficulties being faced by the industry while dealing with the procurement tenders/contracts from various government agencies and PSUs.

3. Amendment to few Standard Conditions of Contract have been suggested by CII with an idea to bring an element of certainty and fairness in public procurement. Proposal of CII is enclosed in a tabular statement.

4. You may please go through the proposal of CII and furnish comments on acceptability for inclusion in the Tender Terms & Conditions. Any other suggestions from your side in this regard may be duly brought out.

5. As we need to proceed in time bound manner, I would request you to reply within 15 days.

Encl: As above.
