दिनांक / Dated 17.08.2015

Circular No. 10/08/15

Subject:- Pendency of cases with CVOs – regarding.

Commission has reviewed pendencies against categories such as:

- Investigation reports
- Factual reports
- Action taken reports
- PIDPI complaints
- Further information
- Implementation of advice, first and second stage both major and minor penalty including reconsideration.
- Cases with departmental IO

2. It was noticed with serious concern that there have been significant delays in many cases. To start with, Commission would like to deal with pendency exceeding 6 months. Though it is known to the CVOs that list of pending cases is available in the account of every CVO on Commission's website, it appears that some of the CVOs are not looking into the details and/or not taking necessary action to deal with such cases.

3. In this light, the Commission requires all the CVOs to log into their respective accounts immediately during the period from 17.08.2015 to 21.08.2015 and to review the pendency in their organisation and to draw plans to ensure expeditious disposal of all the cases pending for over 6 months, to start with. Those who have less pendency of cases pending for more than 6 months may plan to deal with pendency of less than 6 months. The Commission would monitor compliance by generating log of all the CVOs who accessed the data. Progress on disposal of such cases will be reviewed in the first week of October, 2015.
